FACT: Unused or expired prescription medications are a public safety issue, leading to accidental poisoning, overdose and abuse.

FACT: Pharmaceutical drugs can be just as dangerous as street drugs when taken without a prescription or doctor's supervision.

FACT: The majority of teenagers abusing prescription drugs get them from family, friends AND the home medicine cabinet.

All prescription medications are accepted! Many towns have permanent drop boxes located at the police station, **but note the Collection Site above to drop off medications on Saturday, 4/29**
